

YOU DON'T GET  
TO BE AN INTRANET  
HEAVYWEIGHT  
WITHOUT  
TRAINING

*Prosoft is the only company focused*

exclusively on the task of helping businesses

UNLOCK THE PHENOMENAL PRODUCTIVITY  
GAINS OF A COMPANY INTRANET.

We do it with the most comprehensive hands-on, instructor-led curriculum available anywhere. These courses are delivered throughout the USA in state-of-the-art, T-I enabled training centers. Prosoft supports all major Internet technology platforms

with the uniformly high Prosoft standard of proprietary courseware and instructional excellence. And Prosoft is ready with training at the starting gun. For further information, course descriptions, locations and class schedules, call 1-888-PROSOFT, or visit us at [www.prosoft.org](http://www.prosoft.org).

**PROSOFT**<sup>™</sup>  
The World's Internet/Intranet Training Company<sup>™</sup>

A high-contrast, stylized image of two runners in a race. The runner on the left is in the foreground, wearing a white singlet with the number 1017. The runner on the right is slightly behind, also wearing a white singlet with the number 1017. A bright light source, possibly the sun, is visible between them, creating a lens flare effect. The image has a grainy, artistic quality.

# IN THE RACE TO PASS INFORMATION ON THE INTRANET THERE'S NO SUBSTITUTE FOR TRAINING
