Performance. More Tour players play Cleveland wedges and more golfers buy them because whether your shot is out of the sand or anywhere else around the green, Cleveland wedges allow you to play with more confidence.

Feel. Whether it's a chrome wedge made with soft carbon steel or the new VAS+ wedges with the Vibration Absorbing System, these clubs will enable you to have a superior touch around the green.

Quality. Tour players and amateurs alike have come to rely on the quality of Cleveland wedges, that's what makes them #1.
