"CATCH A WAVE"

Waves Of Change you're sitting on top of the world!

Wienerschnitzel is the greatest brand around.

You're the hardest workers in your towns.

Up at dawn there's no time to waste.

Makin' wieners with that special taste...

Wienerschnitzel you're sittin' on top of the world.

Not a fad we've been goin' strong forty years,

We've had more laughs than we've had tears.

We're a force that won't be stopped...

As we climb right on to the top.

Wienerschnitzel you're sittin' on top of the world.

(Instrumental)

Waves Of Change you're sitting on top of the world!

We're all here to catch the waves of change,

Some of us are dressed a little strange...

Settle back and enjoy the show.

Learn some secrets that you don't know...

Wienerschnitzel you're sittin' on top of the world.

Waves Of Change you're sitting on top of the world!

Wienerschnitzel you're sitting on top of the world!
